### A pleasure to deal with ...

These words are part of the citation that defines the Compass Personal Award, which was presented to Motor Acceptances, which specialises in motor fleet insurance and which offers various incentive-based options in the motor fleet market.

Motor Acceptances was founded on the 1st April 2000 and we recently celebrated our 10 year anniversary.

During the past decade, we have been committed to provide excellent service to our brokers. We are proud to mention that we have won the Value, Integrity and Staff awards during this period and have also been nominated for the Quality, Personal and Service awards.

We greatly appreciate the continued support we receive from our brokers, who are an integral part of the success of our company. We would also like to take this opportunity to thank our loyal clients, some of whom we have retained since inception.

Finally, thank you to Compass Insurance Company and our reinsurers for being excellent partners.
